Top Speed: 32km/h

Battery 48v | 15Ah | 720 Wh

Weight capacity: 125kg (275lbs)

Battery Range: 90km

#2

E-bike Cargo #3

The Cargo E-Bike is designed for carrying gear, groceries, or up to two child passengers. It features pedal assist, a sturdy frame, and a rear cargo/kid's seat, making it well suited for heavier loads and urban rides. Due to its size and length, this bike does not fit on standard car bike racks or even in smaller truck beds.

For riders aged 16+.
