---

Good morning,

Please see below for a response from Public Health to our letter re mandatory vaccinations. (Item 4.7). This email is additional information for the FESC agenda package sent yesterday.

Kind regards,  
Sandra

**Subject:** RE: Active Firefighters - Mandatory Vaccinations

**CAUTION: This email originated from an external sender.**

Hello...

We're starting with one set of groups in high risk settings and if we need to expand, or there's a good reason to expand, we will.

A business or organization could choose to set their own vaccine policy. Any policies should take legal and ethical implications into consideration.

Thank you

---
