

# **Sawpit Wharf Committee**

## **Meeting Notes**

**Wednesday, May 16, 2018 – 6:30pm**

### **Welcome and Introductions**

- Welcome to Tissy Bolivar, Acting Director of Recreation Services

### **Rock Removal**

#### **Paint on boat ramp**

- DOTIR has paint we can use for this – yellow was selected
- Mike and Ian agreed to apply the paint at low tide (6-inch strip on either side of ramp)
- Will need paint, trays, and rollers

#### **Gravel in front of boat ramp**

- Engineering staff reported that there will be more gravel to come

#### **Brush clearing**

- We're getting quotes from companies to clear brush between the upper parking lot and highway, as well as clearing the path from the upper parking lot to lower parking lot

#### **Signage**

- No parking in lower parking lot on Mike's side
- Roadside Welcome signs (2)
- Parking lot sign
- Park Rules signs (2)
  - No trailers in lower parking
  - No overnight camping
  - Day use only
  - Boat weight?

#### **Moorings**

- Have been moved

#### **DNR – channel clearing**

- Conversation around a mooring in the channel – can it be moved?
- Identified as David Silver's mooring

#### **Committee Member recommendations**

- Currently have 3 vacancies on the committee
- We received 2 applications
- Ian would like to reoffer
- A recommendation will go to the nominating committee for these applications

- Earl and Jason will step down from the committee

#### **Other**

- Dog bags needed
- Look into the possibility of having a ladder on the end of the wharf
- Tissy to locate hats ordered for Sawpit Committee

#### **Adjournment**

- Motion by Errol; seconded by Mike. Motion carried

**Next Meeting – September 12, 2018**
