

# Municipality of the District of Lunenburg

---

## REPORT TO COUNCIL

**REPORT TO:** Municipal Council  
**SUBMITTED BY:** CAO Tom MacEwan  
**DATE:** April 27, 2020  
**SUBJECT:** J & G Class Road Paving Project – Road Submission List

---

### RECOMMENDATION

Council formally approve the attached J & G Class Road Paving Project – Road Submission List which includes the following:

Gail Avenue, Bell Avenue, MacCulloch Road, Harold Whynot Road, Jubile Road, River Lane, William Hebb Road, Fire Hall Road, and Delong Lane.

### EXECUTIVE SUMMARY

DTIR advised of the creation of a \$10 Million Fund for the repaving of certain roads with the cost of repaving the roads shared between the Province and the Municipal unit. We understand that this \$10 Million Fund is only available this year.

DTIR provided us with a list of eligible roads within the Municipality. The attached Road Submission List includes the list of roads that are being submitted to the Province by the Municipality for repaving under this Program.

### BUDGET IMPLICATIONS

The Province will provide the Municipality with cost estimates for the repaving of the roads submitted under the Program. At this time, the total cost of the repaving of the roads is not know. We estimate that the total cost of the roads on the Submission List will be approximately \$1,510,550 with the Municipality being responsible for the payment of approximately \$755,250 (50%).

The draft 2020-2021 Capital Budget currently has \$1,168,600 allocated for J Class Roads. Council has approved other J Class Road repaving projects valued at \$325,000 leaving \$843,600 for this cost sharing initiative.

**PROPOSED MOTION**

Given all the foregoing, it is recommended that Council approve the following motion

Council formally approve the attached J & G Class Road Paving Project – Road Submission List which includes the following:

Gail Avenue, Bell Avenue, MacCulloch Road, Harold Whynot Road, Jubile Road, River Lane, William Hebb Road, Fire Hall Road, and Delong Lane.
